

### **NEW CLAIMS**

Please add the following claims:

22. (New) The method of claim 1 including a route from the user's current position to a requested destination within said facility.
23. (New) The article of claim 11 storing instructions that enable the processor based system to provide information about the route traveled from the user's current position to a requested destination.

### **CANCELED CLAIMS**

Please cancel the following claim:

2. The method of claim 1 including:  
wirelessly linking a plurality of shopping carts within a retail facility through a local area network based in the retail facility; and  
enabling the carts to exchange information through said network.
